

### **N<sub>2</sub>O Stakeholders Meeting**

The staff of the California Air Resources Board invites you to participate in a meeting to discuss research activities being developed to better understand greenhouse gas emissions from the application of nitrogen fertilizer in California.

The purpose of the meeting is to receive updates and discuss the three research proposals being funded by ARB, CDFA and CEC. This is a continuing effort to coordinate research with state agencies, academia, and industry and receive input on proposed research for improving our understanding of N<sub>2</sub>O emissions associated with fertilizer use in California.

The meeting will be held by phone conference at the date, time and number shown below. The meeting will be held in ARB Conference Room 720 for those attending in person.

DATE: Friday October 30, 2009  
TIME: 10:00 am to 12:00 pm  
CALL IN: 888-566-5785  
Pass Code: 45349

An agenda and meeting materials will be posted online prior to the meeting at <http://www.arb.ca.gov/ag/fertilizer/meetings/meetings.htm>
